Budget allocation for rural development

4549. SHRISK. KHABIR UDDIN AHMED: Will the Minister of RURAL DEVELOPMENT be pleased to state:

(a) whether it is a fact that as a proportion of GDP, the allocations proposed in the budget 2007-08 for rural development are still below the allocations estimated in 2002-03; and

(b) if so, the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT (SHRIMATI SURYAKANTAPATIL): (a) and (b) There is no direct co-relation between GDP and Budget Allocation. The Budget Allocation for different sectors mainly depends on the priorities determined by the Government and availability of Gross Budgetary Support. There has been a significant step up of allocation for Ministry of Rural Development over the years since 2002-03. The Budget Estimates for 2002-03 for rural development was Rs. 13670.00 crores which has been increased to Rs. 41060.00 crores (including Rs. 4500.00 crores loan from NABARD) in the Budget for 2007-08 representing an increase of more than 200 per cent over 2002-03 (BE).

Houses under Rural Housing Scheme for SCs and STs

4550. SHRI JESUDASU SEELAM: Will the Minister of RURAL DEVELOPMENT be pleased to state:

(a) the details of the target and actual completion of construction of houses under different rural housing schemes for Scheduled Castes/ Scheduled Tribes during the last three financial years;

(b) whether it is a fact that the unit cost being provided under these schemes is insufficient due to rise in cost of construction, building materials etc;

(c) whether there is any proposal to increase the unit cost; and

(d) if so, the details thereof and if not, the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT (SHRIMATI SURYAKANTA PATIL): (a) As per Indira Awaas Yojana (IAY) guidelines, at least 60% of the total IAY allocation during a financial year should be utilized for construction/upgradation of

dwelling units for SC/ST BPL households. A Statement showing the number of houses constructed for SC/STs during the last three financial years, is enclosed (See below).

(b) to (d) At present financial assistance for an IAY house is provided at the rate of Rs. 25000/- for plain areas and Rs. 27500/- for hilly areas. These rates of assistance have been revised w.e.f. 1.4.2004. The financial assistance provided under IAY may not necessarily meet the total cost of an IAY house. Labour component is generally contributed by the beneficiary himself and sometimes beneficiary also mobilizes his/her own resources. The revision of norms of financial assistance under IAY is done from time to time keeping in view the factors such as rise in cost of material etc. The Working Group set up for preparation of 11th Plan proposals, have also recommended substantial increase in financial assistance for IAY houses in view of increase in cost of construction of houses.

Statement

State-wise and year-wise No. of Houses constructed and allotted to Scheduled Castes and Scheduled Tribes under the Indira Awaas Yojana during the last 3years i.e. 2004-05,2005-06 and2006-07.
